

Dear Prospective Sponsor,

August 15, 2009

District 5 is one of nine districts in the California High School Rodeo Association (CHSRA). District 5 is centrally located, drawing students from seven counties. CHSRA is governed by the National High School Rodeo Association, which was created to give high school students the opportunity to compete in the unique sport of Rodeo. It is an independent athletic association that must govern without the assistance of school administration or tax dollars.

The program encourages sportsmanship, leadership, horsemanship, stewardship of livestock and education. The program seeks to promote our western heritage and family values. Our students must provide proof of good citizenship and at least a 2.0 grade point average. They must also provide and care for their own horses and pay for their travel expenses and entry fees.

Our fund drive is to generate funds to benefit our student members with scholarship for graduating seniors, awards for our district champions, expenses for district champions traveling to State Finals in Bishop, California and National Finals in Farmington, New Mexico.

District 5 wants to Thank YOU! for your sponsorship consideration. Without you, our generous sponsors, we would not be able to provide scholarships, awards and support for our unique athletes!
